

Premiership / Championship Amendments. With immediate effect.

These new rules have been brought in after careful thought and discussion and with the well being of our dancers at heart. These fairer rules will be enforced with immediate effect. Please adjust your entries for the Europeans. Entries which have already been submitted will be amended.

Primary Premiership

Moving from the beginner premiership into the primary premiership will continue to be determined by the reel.

Intermediate Premiership

To qualify to dance in the intermediate premiership the dancer must be in intermediate for at least four dances. Two of these dances must be in hard shoe. Until this time the dancer dances the premiership in the primary grade.

Open Championship

The same rule will apply for the open championship. Before being able to dance in the open championship the dancer needs to be in open for at least 4 dances two of which must be in hard shoe. Until this time the dancer dances the premiership in the intermediate grade.
